EGTRRA

East Meadow CSEA Clerical Unit

Agreement made and entered this 1st day of July 2006, by and between the East Meadow Union Free School District (the "District") and the East Meadow CSEA Clerical Unit ("Association").

Whereas the parties are desirous of amending their agreement to enable the parties to utilize the options provided by the revised Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA) and;

Whereas this agreement is not a retirement incentive and;

Whereas the agreement is provided in order for unit members to receive payments of unused sick leave and/or other qualifying termination payments earned and accrued under the provisions of the collectively bargained Memorandum of Understanding and;

Whereas advance notice of unit member's retirement dates will be used purely for administrative planning purposes.

Now therefore, the parties agree as follows:

1. Effective July 1, 2006, unit members shall have the payment of their accrued unused sick leave and/or other qualifying termination payments earned directed into 403(b) accounts under the provisions of EGTRRA subject to the conditions set forth below.
2. Eligibility – (a) Unit members who have at least five (5) years continuous employment in the District and have over 50 days sick leave and would be eligible for retirement under the New York State Teachers' Retirement System or the New York State Employees' Retirement System in one year or (b) Unit members who

have at least fifteen (15) years in the District and have over fifty (50) days sick leave and would be eligible for retirement under the New York State Teachers' Retirement System or the New York State Employees' Retirement System in three years.

3. The eligible employee will receive the maximum 403(b) tax deferred benefit from the District and not forfeit accumulated sick leave to the school district provided that an irrevocable letter of retirement is submitted to the District not less than seven months and up to a maximum of three (3) years prior to actual retirement, thereby establishing his or her eligibility for payment of unused sick leave under the collectively bargained Memorandum of Understanding. The minimum notification requirements to the School District will be waived under the following circumstances:
 - Serious illness which precipitates retirement/total disability
 - The specific requirements of an East Meadow School District Retirement Plan
 - The specific requirements of a New York State Retirement Incentive initiative under which an East Meadow employee qualifies and is eligible to participate.(Note: the serious illness/total disability waiver may be eliminated by the school district if, the district believes, the provision has been improperly used or abused).
4. The Annual payment of accrued sick leave to the 403(b) plan will be calculated each year following the retirement letter by dividing the number of years remaining to retirement by the value of the accrued sick leave less 30 days. The amount paid shall be the maximum 403(b) payments subject to the statutory limitations of EGTRRA and the actual sums due and earned by the employee on annual contributions.
5. The School District retains the unilateral right to immediately withdraw from the 403(b) payment program if the EGTRRA law is changed in a matter which reduces or eliminates the payroll cost savings as provided under the EGTRRA statute, effective January 1, 2002, or if any ruling or interpretation would render the District

obligated to pay any costs or sums of any nature beyond the payment of the unused sick leave payable under the collective bargaining agreement.

6. For employees retiring no later than August 31, 2006, minimum notification requirements shall be waived.
7. This Agreement is subject to ratification by the Association and adoption by the Board of Education.

The employee agrees to assume all tax liability in the event the application of EGTRRA is determined to be defective.

5. The specifics included in the Letter of Resignation for Retirement Purposes, as attached, are incorporated into the agreement between the Board of Education and the CSEA Clerical Unit.
6. Payment into an employee's 403(b), tax deferred annuity plan, will be made in December of each year prior to the date of actual retirement. The District will request an Affirmation of Retirement Schedule from the employee in order for the school district to make appropriate tax deferred payments by December 31st.
7. Other than for reasons of health which precipitates an earlier retirement, the school district shall be given not less than seven months notice of actual separation from the school district for reasons of retirement.
8. Both the CSEA Clerical Unit and the School District agree to review the components and provisions related to EGTRRA in conjunction with the completion of a new collective bargaining agreement,
